StagQuest: How to Play

StagQuest is a solo or small-group card game to build virtue and resist temptation over 9 days. Inspired by a novena, you'll grow your Stag's Family Strength by completing daily Virtue Cards and overcoming Temptation Cards. Perfect for adults seeking to break free from pornography and become family leaders.

How to Play:

1. Setup: Print this PDF, cut out the Virtue Cards, Temptation Cards, and Stag Tracker.
2. Start: Shuffle the Virtue and Temptation decks. Set your Stag Tracker to Family Strength 0.
3. Daily Draw: Each 'day' (turn), draw a Virtue Card and complete its task (pray, reflect, act).
4. Temptation Test: Every 3rd day (turns 3, 6, 9), draw a Temptation Card. Resist it (say 'Y') or lose a day's progress (say 'N').
5. Track Progress: Mark successful days on your Stag Tracker. Personalize it with drawings (e.g., antlers).
6. Win: After 9 days, if you have 9 successful days, increase Family Strength by 1 and claim your Virtuous Stag badge!
